

NAME OF SERVICE: Rodent Baiting Program
--

ATTRIBUTES: Check for attributes on the services for more treatment specifications.

TO INCLUDE: This is a rodent baiting program only

EXCLUDED PEST: Termites, Rodents, Springtails, Tawny Crazy Ants, Leaf Cutter Ants, Birds, Fabric Pest, Pantry Pest, Mosquitoes, Bed Bugs, Fleas and Ticks

TREATMENT INCLUDES

Exterior: On the initial service install 4 to 6 bait stations around the exterior, scan devices and record location of each bait station. The maintenance includes the replacement of any damage or missing bait station.

- Service all bait station with every service changing out the bait if needed. (Each bait station should have 1 to 2 pieces of bait inside depending on feeding activity).
- Inspect the complete exterior of the home looking for conducive conditions and evidence of rodent issues such as gnawing, rub marks, droppings. All evidence should be noted during time of service and brought to the customer's attention.
- Homes with crawl spaces are not included in the inspection unless customer has indicated an issue.

SPECIAL NOTES/ATTRIBUTES

- The customer has elected to choose an every other month baiting program.
- The customer understands that this is an outgoing exterior only baiting program that will help control, but most likely will not eliminate rats on the outside of their home.
- The program is set up for a term of 1 year from the date of the initial service, and it is renewable thereafter in 60-day increments, if the homeowner deems it necessary.
- **Inside of home is not included.**
